### TAS FACULTY SUBJECT SPECIFIC FEES

Dear Parents/ Caregivers

Your son or daughter has elected to study a TAS (Technological and Applied Studies) subject in 2023. These subjects require the students to undertake practical applications to enhance the theoretical components of the courses.

In these workshops, for safety purposes, students will not be able to participate in the practical lessons until they have their complete and **appropriate uniform** and pay **subject specific fees** that relate directly to the resources purchased for their practical lessons.

Our subjects include the following: Technology Mandatory, Timber Technology, Metal Technology, Information and Software Technology, Textiles Technology, Textiles and Design, Food Technology, Hospitality- Food and Beverage, Engineering Studies, Industrial Technology (*Timber Products and Furnishings* and *Multimedia*).

**Outlined below are the subject specific fees for 2023 in the TAS Faculty:**

<b>Year 7</b>	Technology Mandatory	\$40	<b>Year 11</b>	Hospitality F&B (food only)	\$70
				Hospitality uniform (uniform shop)	\$70
